COMMUNICATION

This is in response to the Notification of Defective  
Response.

A Sequence Listing is attached which contains no new  
matter.

REMARKS

For the record Applicant would like to state that the Notification of Defective Response mailed out 29 October 2007 was never received by their undersigned attorneys.

Applicants were interested in knowing the status of this case since no office action had been forthcoming yet. Upon checking on PAIR the Application Data sheet stated that the application is undergoing preexam processing but upon checking the Image File Wrapper the undersigned learned that the Notification mentioned above had been mailed out.

Applicants are submitting the Sequence Listing in hopes of getting this application moved to examination.
